Carolina Design Group of Cornelius, NC has been a very important part of our trade business success over the years & under the direction of award-winning designer, Jim Phelps, Carolina Design Group has assembled a balanced & talented team of designers from around the country that value business/personal relationships & the Pella name. Michelle Mierswa, Marketing Director, for Carolina Design Group said: *"Pella has been a "household" word around here since I started and I am delighted to be a part of a team that has such strong affiliations. Thank you for the sponsorship of the legends car."*

This is a new trade marketing concept for Pella & we look forward to the opportunity to partner up with such a respected residential design firm. I would like to offer a team-building invitation, to everyone at Pella Window & Door Company, to come out to Lowe's Motor Speedway this summer & support Jim Phelps & the Carolina Design Group during this Summer Shootout season. I will be putting together the schedule & a sign-up sheet as the season draws nearer.

The 13th annual 10-race 2006 Hardee's Summer Shootout Series will be run each Tuesday night from June 13 to August 15 at Lowe's Motor Speedway. Run on the front stretch quarter-mile oval, the Hardee's Summer Shootout features Legends Car, Bandolero and Thunder Roadster racing. NASCAR stars Dale Earnhardt Jr., Kyle Busch and Reed Sorenson are among those who honed their racing skills in the Hardee's Summer Shootout. Several Hardee's Summer Shootout competitors have close

ties to the NASCAR community including: Mike Wallace's daughter Chrissy and son Matt; Richard Childress' grandsons Austin and Ty Dillon; Dave Blaney's son Ryan; Randy LaJoie's sons Corey and Casey; Gary Nelson's sons John and William; Mark Green's son Tyler; and Larry McReynolds' son Brandon who was involved in the series' most fierce championship battle of the 2005 season. We hope to see Jim Phelps, driving the Carolina Design Group/Pella Legends Car, in the winner's circle this year.
